EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. H. Artoush Ohanian on 7/10/06.

3. Independent claim 55 has been amended as follows:

55. (currently amended) A method for identifying a call context for a call on behalf of another, said method comprising:

receiving, by a context inference service running on a context inference server, a request for a call context for a call;

receiving, by the context inference service, call context information associated with at least one from among a caller and a callee associated with said call;

analyzing, by the context inference service, the call context information;

inferring, by the context inference service in dependence upon the call context information, the identity of at least one party to the call and a subject matter surrounding the call;

inferring, by the context inference service in dependence upon the identity of at least one party to the call and the subject matter surrounding the call, that an on behalf of action is invoked for said call; and

sending, from the context inference service, a call context for the call including an indication that an on behalf of action is invoked for said call.
